The contribution of minorities is important in the formation and development of any country in the world. Indian polity is secular. But in recent times religious, caste identity is coming forward. But rather than that we as an Indian society should come forward. Indian should be constitutional. Humanism should be preserved it. Such optimism Chief Guest Prof. Kishore Gosavi Sir expressed on this occasion.

The Vice Principal of the college Hon. Prof. Bhushan Hire sir in his presidential speech said that the majority of India had consciously taken the role of creating an ideal society on their shoulders. When minorities are treated with respect, many problems in the society will be solved. Minority rights are crushed in the name of majority.
